From Long Island:

Take the Long Island Expressway (I-495) west to Exit 19. At the exit, follow the service road west about 0.6 mile to the second traffic light (the intersection with Grand Avenue). Turn left on Grand Avenue and follow it for about 3 blocks (about 0.3 mile) to a fork in the road. The road leading out to the left is Flushing Avenue. Travel on Flushing Avenue for about 1 mile to its intersection with Metropolitan Avenue and continue past the intersection, prepared to turn left.
