a gift from nature... artistically refined by man

White capped glaciers with their statement of majesty and spaciousness inspired the name of this collection. The finely honed, matte finish with its precision cut sizes and shapes add an element of beauty, tranquility and individuality to both residential and commercial applications. The inspiration has led to a perfectly coordinated portfolio of floor, wall and countertop tiles to create the living or working environment you desire. Enjoy this gift of nature, which has been fashioned by man.
