UNSURPASSED BEAUTY OF HANDCRAFTED TILE

From initial design to finished product, this ceramic tile collection transforms a home from ordinary to extraordinary.

The ever-evolving creative alchemy to combine traditional ceramics with other materials such as glass and stone results in an exceptional collection of unique and complementary products for almost every design application.

With rich textures, hand carved designs and fabulous color palette offer, design options are limitless.

Sonoma Tilemakers - Handcrafted in America by Really Nice People...

*Contact your local Country Floors Representative to find out more about Sanoma Tilemakers’ Collections and availability in your area.
