# Absolute Black Extra Granite Collection

A real conversation about the most durable and elegant stones has to include Absolute Black Granite.

Granite is an igneous rock that is easily recognized by the characteristic large grains that it is typically associated with. In the case of Absolute Black, a much more solid appearance is presented for the designer and homeowner to play with in a design plan.

Our Absolute Black Granite is available in a nice range of sizes in both squares and rectangles that offer elegance for both walls and floors. Now, also consider that our slabs provide the opportunity to create kitchen tops, vanity tops, and other larger unit cut to size elements.

## Usage

- |   |   |
|---|---|
| <input checked="" type="checkbox"/> Bathroom Floors/walls     | <input checked="" type="checkbox"/> Residential Interior Floors |
| <input checked="" type="checkbox"/> Commercial Interior Floor | <input checked="" type="checkbox"/> Residential Interior Walls  |
| <input checked="" type="checkbox"/> Commercial Interior Walls | <input checked="" type="checkbox"/> Shower Floors               |
| <input type="checkbox"/> Residential Countertops              | <input type="checkbox"/> Shower Walls                           |
