

# Afyon Sugar Polished Marble Collection

The Afyon Sugar Polished Marble Collection from Country Floors is a combination of refined marble and subtle design elements that range from traditional to contemporary styles.

The surface of this product has a finely polished finish, which brings out the inherent beauty of the stone.

Marble is a metamorphic stone with a timeless history as a flooring, wall covering, paving material and sculptural medium. Think for a moment of the Taj Mahal, the Statue of a David, the Lincoln Memorial, the Washington Monument and perhaps your local courthouse. Then, you have thought of but a tiny sample of the cultural and utilitarian impact that marble has had on human civilization. The subtle blending of color, style and design in Afyon Sugar creates wonderful choices.
