AZUCENA

TALAVERA COLLECTION

AZUCENA

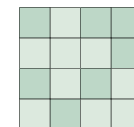

Inspired by the timeless beauty of Mexican craftsmanship, the Azucena – Talavera Collection brings together three unique 4"x4" designs crafted on a warm terracotta body using the traditional cuerda seca technique. Each piece celebrates the vibrant artistry found in historic mexican interiors, where hand-painted tiles add character, charm, and a sense of heritage to everyday spaces.

At the heart of this collection is Azucena, named after the elegant white lily that symbolizes purity, serenity, and the quiet grace of Mexican gardens. Its soft floral influence brings a delicate balance to the bold geometric and traditional motifs that complete the series. When combined, the designs create a rich tapestry of color and pattern meant to be mixed, matched, and curated freely just as Talavera has been for centuries.

Rooted in tradition yet adaptable to modern interiors, this collection is an invitation to infuse spaces with authenticity, craftsmanship, and the soulful warmth of Mexico.
