Bianco Dolomiti Classic Honed Marble Collection

Country Floors offers Bianco Dolomiti Classic Honed Marble as a great addition to our already interesting collections of white marbles. This polished material is not just stylish, but also extremely hard wearing.

As such, we offer it in many formats. You may choose from tiles, mosaics, moldings, and waterjet decos. All of which contribute nicely to any design scheme that may be envisioned. Marble is a metamorphic stone with a timeless and legendary history as a flooring, wall covering, paving material and sculptural medium.

Think for a moment of the Taj Mahal, the Statue of a David, the Lincoln Memorial, the Washington Monument and perhaps even your local courthouse or government center. Then, you have thought of but a tiny sample of the cultural and utilitarian impact that marble has had on human civilization for centuries.
