

snow white & black honed eames mosaic 6"x6"x3/8"

Black & White Marble Collection

Everything's better in black and white. In film as in life, the eternal romance of it is undeniable, and in tile it's practically as old as time itself. Just think of the stone parquet of Europe's great estates. If you love the elegance of black and white, you'll adore our new collection of floor and wall tiles and mosaics in honed black marble, honed snow white marble and superb black and snow white marble tiles and mosaics. There's something for every style of interior within this collection, from a simple honed solid hexagon to intricate mosaics, inspired by different eras but made to create a timeless dignity in the built environment.
