

# Mallorca Ceramic Collection

Mallorca, an artistic ceramic interpretation of the beautiful “Lenguas Mallorquinas”, a style created by Spanish textile weavers and perfected by French artisans.

Our Mallorca Collection offers a wide range of decorative motifs, a cultural feast between East and West. This collection is perfect for those who love the beauty of classical decoration and for those who like exploring the endless boundaries of opulent and exotic patterns.

The Mallorca collection consists of six 8x8 tiles exquisitely hand painted on our hand molded bisques. These tiles are applicable only for walls and must be sealed due to the crackled finish. This is not recommended for floors, pools or spas. This is suitable for exterior use subject to climate and method of installation.
