## Scape

Noted tile designer Erin Adams loves nature, art and pushing the boundaries of what materials can achieve. With SCAPE, a new capsule collection exclusively for Country Floors, she has created a contemporary wall tile that evokes nature in a uniquely painterly way. Her matte ceramic tiles awaken the senses, with washed watercolor glazes that create interpretive imagery. So, you may see a seascape, a landscape, clouds or rolling mist. SCAPE is offered in a cool, foggy grey called Storm or a fresh, saturated indigo called Mist. Within each tile the tone ranges from pale to intense, with a matte finish that underscores the watercolor art theme.

Suitable for all interior vertical applications.
