# Statuary Extra Marble

Statuary Marble is another beautiful white marble from Italy. It is actually a type of famous Carrara Marble. This tile is one of the classic stones of Western Civilization. Why? Because so many of the great pieces of sculpture (statues) used this stone as the medium of choice for the artist.

Quarried in the legendary Carrara area of Italy, this stone is known for the distinct gray veins that meander throughout the visual displayed by its tiles, slabs, and mosaics.
