traces

Embrace the natural luxury of the Traces Terra Cotta Collection. Consisting of glazed terra cotta tiles, mosaics, and trims in five distinct, carefully crafted designs, this collection defines organic modern interior design. Its minimalist, soothing colors are inspired by the subtle tones of white, beige, brown, and blue that saturate the Greek islands of the Mediterranean. The exquisite glazed finish of these tiles offers a handmade, artisanal look that makes spaces feel welcoming and authentic. Transform your space into a refined yet rustic interior with terra cotta tiles. The collection is suitable for interior wall and flooring installations, including wet spaces.
